Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Monday 14 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and very warm with sunshine.

Today:
Staying fine and dry this morning, with lengthy periods of sunshine. Becoming a little more cloudy later, but still with sunny spells. Feeling very warm or hot in light winds. Maximum temperature 29 deg C (84 deg F).

Tonight:
Dry overnight but often cloudy, with just a few clear periods. This will allow temperatures to stay mild, so feeling warm and humid for most overnight. Minimum temperature 15 deg C (59 deg F).

Tuesday:
Any early cloud will soon clear to leave another dry and fine day with lengthy sunny spells. Still warm or very warm, but cooler than Monday. Maximum temperature 26 deg C (79 deg F).

Outlook for Wednesday to Friday:
Sunny to start Wednesday, but becoming cloudy during the afternoon. Showers spreading north later, perhaps heavy and thundery. These continuing through Thursday and Friday morning, gradually easing later. Very warm.
